Chapter Officers' Weekly Update

This information bulletin is distributed weekly in an effort to reduce the amount of separate emails our chapter officers receive from RIMS.

The weekly email bulletin highlights chapter/member-related information including new benefits to chapters, changes at RIMS and upcoming events. Please review this email when you receive it to remain on the cutting-edge of what's relevant for chapters from RIMS. We would also be glad to include information from your chapter, relevant to your chapter colleagues (announcements, meetings, brief success stories); we do not intend to replace the chapter officer e-group but to supplement it. Please send your submissions to chapterservices@RIMS.org.
