**RIMS 2018 COMMUNITY SERVICE**

**SOLDIERS’ ANGELS**

Soldiers’ Angels provides aid and comfort to the men and women of the United States Army, Marines, Navy, Air Force, Coast Guard, their families and a growing veteran population. Founded in San Antonio in 2003 by the mother of two American soldiers, Soldiers’ Angels has grown from a grassroots effort to a national 501(c) (3) nonprofit organization. One of the largest nonprofits dedicated to supporting our military, Soldiers’ Angels has provided over $100 million in aid to service members and their families through care packages, food assistance and support items to patients in VA hospitals. The nonprofit coordinates over 150,000 volunteer hours each year.

RIMS is proud to partner with an organization that works tirelessly on behalf of our Armed Forces and their families. Instead of one community service day—we’re going big for three days! Support our military and the local community through activities such as creating supply kits, sorting food, writing letters and constructing no-sew blankets.

**HELP REDUCE YOUR CARBON FOOTPRINT**

Producing a conference on this scale consumes a lot of resources. That’s why we’ve partnered with carbonfund.org to help offset the effects to the environment. Carbonfund.org helps individuals and businesses develop practical and cost-effective solutions to slow, stop and reduce our climate crisis. For a small, one-time donation of US $10 (check the box during registration), you can offset your emissions from the conference. The donations collected with go toward reforestation efforts. Learn more at www.carbonfund.org.

Note: While RIMS supports the efforts of Carbon Fund in offsetting our carbon footprint, RIMS neither agrees nor disagrees with the positions stated on the Carbon Fund website.
As a reminder, you must register for RIMS 2018 before your hotel reservation can be confirmed. We have reserved select hotels for RIMS members, designated in orange on the map. Visit www.RIMS.org/join.

Shuttle service will be provided for badged attendees between non-walkable RIMS hotels and the Henry B. Gonzalez Convention Center.
