

JOINTLY PRESENTS

2022 RIMS-WTW VIRTUAL CONFERENCE

RISK RESILIENCE REIMAGINED

26 - 28 APRIL, 1PM - 4PM SGT DAILY (GMT +8)

ATTENDANCE IS COMPLIMENTARY

REGISTER NOW

More than ever, risks and its management will dominate and shape key aspects of the global economy. An inadequate understanding of risk culture, lack of risk talent and underappreciated emerging risks are forming the backdrop of a new risk management landscape.

Themed 'Risk Resilience Reimagined', the 2022 conference will look at key issues that have implications for organisations to succeed in today's uncertain and varying environment and investigate current and future risks that organisations need to act on to build resilience and thrive in APAC.

- **Large complex risks** faced by Asia conglomerates as Asian companies grow and expand
- Building a strong **risk culture and organisation resilience** in the emerging hybrid work environment
- Acting on **ESG** and **sustainability risks** and **opportunities**
- Mitigating business interruptions from **supply chain risks** exacerbated by the ongoing pandemic
- Risks and opportunities of **digitalisation** as businesses undergo rapid digital transformation in APAC

DO NOT MISS:

- **50+** Speakers
- **20** Breakout Sessions
- **Keynote Speech** by the Monetary Authority of Singapore
- **Spotlight** on Countries, Industries and Solutions
